NO. OF ENCLS.  
(LISTED BELOW)

SUPPLEMENT TO REPORT NO. 25X1X

25X1A

ILLEGIB

have been carried out in this area. Source states that it is safe to move in the area since no SNB patrols were observed either on roads or in villages where formerly military patrols used to go on errands. He also reports that there were no controls in buses or other means of transportation in this area.\*

2.

ILLEGIB

25X1A

Comment: It is probable that the relaxation of controls in the Susice area is only temporary and was a result of lack of personnel caused by men going on furlough, harvest labor brigades, etc.

**CONFIDENTIAL**
